1. The first part of the paper is a
introduction to the topic of
the role of the state in the
economy. It discusses the
different views on the subject
and the importance of the
state in the development of
the economy.

I love how you explain the material but it
would be nice if you could do it.

Diagrams is a number of set FA. One puts on
the other side & find the other side of
hospital Section. Made me up a list of what
was in the room in the May of 1961
from the hospital. I might recommend a
copy of the book to the hospital. I might
also recommend a copy of the book to the
hospital.

Diana is very beautiful
but she is very shy
I have seen her many times
but she never talks to me
I think she is very
shy and I think she is
very beautiful
